AGAPE AME CHURCH
71 Ludlow Street
Newark, NJ 07114
Rev. Evelyn Johnson, Pastor
(908) 906 - 7279

May 3, 2005

Honorable Mayor Sharpe James & Municipal Council:

I take this opportunity to commend you, Mayor Sharpe James and the Municipal Council for the great job you are doing in the City of Newark.

The Pastor of Agape AME Church, Rev. Evelyn Johnson is hosting a Memorial Day Festival on May 29, 2005 at 71 Ludlow Street from 1pm until 7pm. In a continued effort to help lift the standards of our children and the community of the South ward, we need your support. So, we are asking for our city government to search its budget and locate assistant fund to assist us in bringing forth a fun filled day to the residents in this area of the City of Newark.

We are in need of hot dogs, hamburgers, and sodas to service over one (100) hundred children just in this section of town alone. Our position is that it takes church, community and Newark's City Government to work with each other to enhance the quality of life thereby bringing top quality to one's community through the things we do. We recognize that you may have a previous commitment, family obligation or even need this day of rest, but if at all your schedule permit please join us for a moment or too.

Respectfully yours,

Chairperson

Rev. Evelyn Johnson, Pastor

For purposes of this section, such users shall be defined as all users identified as such by the regional sewer authority pursuant to the regulations of the United States Environmental Protection Agency, 35.929-1 (b) (4).

1. Quarterly, each such user shall be billed for its share of the operating and maintenance costs borne by the regional sewer authority in the treatment of wastewater. These billings shall be based on a method of calculation approved by the United States Environmental Protection Agency which shall at a minimum reflect the volume of waste and the strength of that waste as measured by the parameters of Biochemical Oxygen Demand (BOD) and Suspended Solids (SS) per unit volume. Calculation of the amount to be billed shall be done by the regional sewer authority, who shall present the bills to the City of Newark for distribution and collection of payments.

Bills payable pursuant to this section shall be presented to the affected users on February 15th, May 15, August 15th and November 15th of each year, or as soon as is practicable thereafter. Such bills shall be due and payable upon presentation.

All such studies must be approved by the Director of the Department of Water and Sewer Utilities and shall be subject to his/her periodic review.
 5. In no event shall any property owner who is subject to the terms of this section pay a local sewer user charge in an amount less than that set forth in the rate schedule set forth herein.
